

February 15, 2023

As a reminder, to insure you guys are maxing out your opportunity to recharge water in a designated sinking basin. You should be checking your meters to make sure that they stay working. staff checks meter readings at the end of the month **NOT** on a daily basis. if your meter fails during that time you will not be able to get credit for designated sinking basin.

as always if there is any questions please call the office. thanks

Sincerely,

Kirk Masters

Water Resources Superintendent
