Lower Tule River & Pixley ID - Daily ET Tool

Good afternoon Lower Tule and Pixley growers,

District staff is currently working on pre-programming all parcel and field data into the Land IQ website portal for the Daily ET Tool. We kindly ask that every account holder for Lower Tule & Pixley Irrigation Districts make sure that their email address is current and up to date in BasinSafe. We will be using that data to populate your account in the Land IQ portal.

If you need assistance updating your email, please contact staff at the District office.

Thank you,

Travis Millwee

Resources Manager
