IF ANYONE WANTS COPIES OF ANY OF THE REFERENCED BOARD MATERIALS, THEY MAY CONTACT THE DISTRICT ADMINISTRATIVE ASSISTANT, CINTHIA CANALES AT 559-686-4716 OR BY EMAIL ccanales@ltrid.org.

Minutes respectfully submitted,

Alex Peltzer
Board Secretary

Vandalia
Water District and Groundwater Sustainability Agency

AGENDA STAFF REPORT **Item No.3.a.i**

DATE:	August 19, 2026
TO:	Board of Directors
FROM:	Alex Peltzer, GM John Michael Domondon, Operations Manager
SUBJECT:	June ET Consumption - Groundwater Use Summary Report

SUMMARY and RECOMMENDED ACTION:

Receive and file the June 2026 ET Consumption – Groundwater Use Summary Report.

The report provides a summary of monthly surface water deliveries, estimated evapotranspiration (ET) consumption, and groundwater use exceedances within the District.

The updated June 2026 report will be provided as an attachment to this agenda item.

DISCUSSION:

As part of the District's ongoing groundwater management and monitoring efforts, staff prepares monthly ET Consumption – Groundwater Use Summary Reports to track water use within the District service area. The report compares estimated evapotranspiration consumption against reported surface water deliveries to identify groundwater use and any exceedance amounts subject to the District's groundwater management policies.

The June 2026 report summarizes:

- Monthly surface water deliveries 200 AF
- Total estimated evapotranspiration (ET) consumption 446 AF
- Groundwater use exceedances 0.00 AF

This information assists the Board in monitoring water use trends and ensuring compliance with applicable groundwater allocation requirements. The updated June 2026 report will be attached for Board review and discussion.

RECOMMENDED MOTION:

None

ATTACHMENTS:

Vandalia
Water District and Groundwater Sustainability Agency

AGENDA STAFF REPORT **Item No.4.a**

DATE:	August 19, 2026
TO:	Board of Directors
FROM:	Alex Peltzer, GM John Michael Domondon, Operations Manager
SUBJECT:	Board Vacancy - Information

SUMMARY and RECOMMENDED ACTION:

Following the resignation of Dyson Schneider, effective August 7, 2026, a seat on Vandalia Water District Board of Directors has become vacant. Per prior direction from the board, the vacant seat will be filled by appointment by the remaining Vandalia Board of Directors. As required by state law, staff will notify Vandalia landowners that the Board seat is available and provide interested landowners with an opportunity to express their interest in serving on the Board.

DISCUSSION:

Vacancies on special district boards are governed by California Government Code section 1780, which provides that the remaining directors may either appoint a replacement to fill the vacancy, or may call a special election. The Board has 60 days to determine which of these processes to use; if no choice is made in the 60 day period, the vacancy may be filled by the Board of Supervisors.

The Board has previously indicated a preference to fill any vacancy that occurs through the appointment process. Staff will post notices as required by state law informing landowners regarding the available Board seat and an opportunity for interested landowners to express their interest in serving.

Following the notification period, consideration and appointment to fill the vacant position will be presented at the September Board Meeting.

RECOMMENDED MOTION:

Water District and Groundwater Sustainability Agency

AGENDA STAFF REPORT **Item No.4.b**

DATE:	August 19, 2026
TO:	Board of Directors
FROM:	Alex Peltzer, GM John Michael Domondon, Operations Manager
SUBJECT:	Resolution 2026-8-1 Resolution for Cal OES Authorization

SUMMARY and RECOMMENDED ACTION:

Staff recommends that the Board of Directors of the Vandalia Water District authorize Mark Greenall, John Michael Domondon, and Tyler Mendes to serve as authorized representatives and contacts for the State of California Governor's Office of Emergency Services (Cal OES) on behalf of the Vandalia Water District. Designation of these individuals will allow them to communicate and coordinate with Cal OES regarding emergency management, disaster assistance, recovery efforts, documentation, applications, claims, and other matters requiring District representation.

DISCUSSION:

The Vandalia Water District may need to coordinate with the California Governor's Office of Emergency Services (Cal OES) in connection with emergency events, disaster response and recovery, infrastructure damage, reimbursement programs, grant opportunities, and other emergency-related matters affecting District operations and facilities.

Cal OES may require public agencies and special districts to identify individuals who are authorized to communicate and act as points of contact on behalf of the agency. Establishing authorized representatives will provide Cal OES with designated District contacts and facilitate timely communication and coordination.

RECOMMENDED MOTION:

"I make a motion to adopt Resolution No. 2026-8-1, that the Board of Directors of the Vandalia District authorize Mark Greenall, John Michael Domondon, and Tyler Mendes as authorized representatives and contacts for the State of California Governor's Office of Emergency Services (Cal OES), and authorize staff to submit any required documentation to Cal OES reflecting these designations.

ATTACHMENTS:

Cal OES ID No: _____

DESIGNATION OF APPLICANT'S AGENT RESOLUTION FOR NON-STATE AGENCIES

BE IT RESOLVED BY THE Board of Directors (Governing Body) OF THE Vandalia Water District (Name of Applicant)

THAT Mark Greenall (Title of Authorized Agent), OR

JohnMichael Domondon (Title of Authorized Agent), OR

Tyler Mendes (Title of Authorized Agent)

is hereby authorized to execute for and on behalf of the Vandalia Water District (Name of Applicant), a public entity established under the laws of the State of California, this application and to file it with the California Governor's Office of Emergency Services for the purpose of obtaining federal financial assistance for any existing or future grant program, including, but not limited to any of the following:

- **Federally declared Disaster (DR), Fire Mitigation Assistance Grant (FMAG), California State Only Disaster (CDAA), Immediate Services Program (ISP), Hazard Mitigation Grant Program (HMGP), Building Resilient Infrastructure and Communities (BRIC), Legislative Pre-Disaster Mitigation Program (LPDM),** under
- Public Law 93-288 as amended by the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1988, and/or state financial assistance under the California Disaster Assistance Act.
- **Flood Mitigation Assistance Program (FMA)**, under Section 1366 of the National Flood Insurance Act of 1968.
- **National Earthquake Hazards Reduction Program (NEHRP)** 42 U.S. Code 7704 (b) ((2) (A) (ix) and 42 U.S. Code 7704 (b) (2) (B) National Earthquake Hazards Reduction Program, and also The Consolidated Appropriations Act, 2018, Div. F, Department of Homeland Security Appropriations Act, 2018, Pub. L. No. 115-141
- **California Early Earthquake Warning (CEEW)** under CA Gov Code – Gov, Title 2, Div. 1, Chapter 7, Article 5, Sections 8587.8, 8587.11, 8587.12

That the Vandalia Water District (Name of Applicant), a public entity established under the laws of the State of California, hereby authorizes its agent(s) to provide to the Governor's Office of Emergency Services for all matters pertaining to such state disaster assistance the assurances and agreements required.

DESIGNATION OF APPLICANT'S AGENT RESOLUTION NON-STATE AGENCIES

OES-FPD-130 (Rev. 10-2022)

_____ Secretary

(Signature) (Title)

Cal OES Form 130 Instructions

A Designation of Applicant's Agent Resolution for Non-State Agencies is required of all Applicants to be eligible to receive funding. A new resolution must be submitted if a previously submitted resolution is older than three (3) years from the last date of approval, is invalid, or has not been submitted.

When completing the Cal OES Form 130, Applicants should fill in the blanks on pages 1 and 2. The blanks are to be filled in as follows:

Resolution Section:

Governing Body: This is the group responsible for appointing and approving the Authorized Agents.

Examples include: Board of Directors, City Council, Board of Supervisors, Board of Education, etc.

Name of Applicant: The public entity established under the laws of the State of California.

Examples include: School District, Office of Education, City, County or Non-profit agency that has applied for the grant, such as: City of San Diego, Sacramento County, Burbank Unified School District, Napa County Office of Education, University Southern California.

Authorized Agent: These are the individuals that are authorized by the Governing Body to engage with the Federal Emergency Management Agency and the California Governor's Office of Emergency Services regarding grants for which they have applied. There are two ways of completing this section:

1. Titles Only: The titles of the Authorized Agents should be entered here, not their names. This allows the document to remain valid if an Authorized Agent leaves the position and is replaced by another individual. If "Titles Only" is the chosen method, this document must be accompanied by either a cover letter naming the Authorized Agents by name and title, or the Cal OES AA Names document. The supporting document can be completed by any authorized person within the Agency (e.g., administrative assistant, the Authorized Agent, secretary to the Director). It does not require the Governing Body's signature.

2. Names and Titles: If the Governing Body so chooses, the names **and** titles of the Authorized Agents would be listed. A new Cal OES Form 130 will be required if any of the Authorized Agents are replaced, leave the position listed on the document, or their title changes.

Checking Universal or Disaster-Specific Box: A Universal resolution is effective for all past disasters and for those declared up to three (3) years following the date of approval. Upon expiration it is no longer effective for new disasters, but it remains in effect for disasters declared prior to expiration. It remains effective until the disaster goes through closeout unless it is superseded by a newer resolution.

Governing Body Representative: These are the names and titles of the approving Board Members.

Examples include: Chairman of the Board, Director, Superintendent, etc. The names and titles **cannot** be one of the designated Authorized Agents. A minimum of three (3) approving board members must be listed. If less than three are present, meeting minutes must be attached in order to verify a quorum was met.

Certification Section:

Name and Title: This is the individual in attendance who recorded the creation and approval of this resolution.

Examples include: City Clerk, Secretary to the Board of Directors, County Clerk, etc. This person **cannot** be one of the designated Authorized Agents or Approving Board Member. If a person holds two positions (such as City Manager and Secretary to the Board) and the City Manager is to be listed as an Authorized Agent, then that person could sign the document as Secretary to the Board (not City Manager) to eliminate "Self-Certification."

Vandalia
Water District and Groundwater Sustainability Agency

AGENDA STAFF REPORT **Item No. 5.a**

DATE:	August 19, 2026
TO:	Board of Directors
FROM:	Alex Peltzer, GM John Michael Domondon, Operations Manager
SUBJECT:	Treasurer's Report & Bills to Approve – Action Item

SUMMARY and RECOMMENDED ACTION:

Approve the Treasurer's Report and ratify the Bills Paid for July 2026.

This is a routine monthly item presented to the Board for review and approval. Any items outside of established budget parameters or atypical expenditures will be identified and discussed within the Treasurer's Report.

RECOMMENDED MOTION:

"I move to approve the Treasurer's Report and ratify the Bills Paid for July 2026, as presented."

ATTACHMENTS:

Financial Statements will be provided during the meeting.

Vandalia
Water District and Groundwater Sustainability Agency

AGENDA STAFF REPORT **Item No.5.b.**

DATE:	August 19, 2026
TO:	Board of Directors
FROM:	Alex Peltzer, GM John Michael Domondon, Operations Manager
SUBJECT:	Bank Signatory – Action Item

SUMMARY and RECOMMENDED ACTION:

Staff recommends removing Dyson Schneider, former Board Vice President, as an authorized bank signatory following his departure from the Board. The remaining authorized bank signatories would continue to be Alex Peltzer, General Manager/Secretary/Treasurer, Mark Greenall, Controller, and Steve Meier, Board President.

DISCUSSION:

The District's authorized bank signatories have historically consisted of the General Manager, Controller, Board President, and Board Vice President.

With Dyson Schneider no longer serving as Board Vice President, Staff recommends removing him as an authorized bank signatory. The remaining authorized signatories would be:

- Alex Peltzer, General Manager/Secretary/Treasurer
- Mark Greenall, Controller
- Matt Lieder, Board President

Staff is requesting a nomination for an additional Board member to serve as an authorized signatory for all District bank accounts following the removal of Dyson Schneider. The nominated Board member serves as an authorized signatory along with the District's existing authorized signatories.

RECOMMENDED MOTION:

"I move that the Board authorize and direct the removal of Dyson Schneider as an authorized signatory for all District bank accounts and appoint _____ as an additional authorized signatory for all District bank accounts."

ATTACHMENTS:

None

Water District and Groundwater Sustainability Agency

AGENDA STAFF REPORT **Item No. 6.a.**

DATE:	August 19, 2026
TO:	Board of Directors
FROM:	Alex Peltzer, GM John Michael Domondon, Operations Manager
SUBJECT:	Water delivery report – Information Item

SUMMARY and RECOMMENDED ACTION:

Receive and file the Monthly Surface Water Delivery Report through July 2026.

DISCUSSION:

Staff prepared the Monthly Surface Water Delivery Report to provide the Board with information regarding surface water deliveries, water operations, and water supply conditions within the District.

The report summarizes surface water deliveries made during the reporting month and provides year-to-date delivery information, as applicable. The report is intended to assist the Board in monitoring water supply availability, delivery trends, and ongoing operational activities.

This item is presented as a routine monthly report, and no action is required beyond receiving and filing the report.

RECOMMENDED MOTION:

None

Vandalia
Water District and Groundwater Sustainability Agency

AGENDA STAFF REPORT **Item No. 7.a.**

DATE:	August 19, 2026
TO:	Board of Directors
FROM:	Alex Peltzer, GM John Michael Domondon, Operations Manager
SUBJECT:	Operations and Maintenance Report

SUMMARY and RECOMMENDED ACTION:

Staff completed the Operations and Maintenance activities for July 2026. Major efforts during the month included copper sulfate treatment, spot spraying, ditch maintenance, pipeline repairs, leak repairs, and routine inspections of the District's facilities and infrastructure.

DISCUSSION:

During July 2026, District Staff continued to perform routine operations and maintenance necessary to support the District's water delivery system and maintain District facilities.

Staff completed copper sulfate treatment and spot spraying to control vegetation and maintain proper operating conditions throughout the District. Ditch maintenance was also performed to support efficient water conveyance and delivery.

Staff completed pipeline and leak repairs as needed to address infrastructure issues, minimize water loss, and maintain reliable service to landowners. Routine inspections of pumping facilities, pipelines, ditches, and other District infrastructure were also conducted to identify and address operational and maintenance needs.

RECOMMENDED MOTION:

No action.

ATTACHMENTS:

None.

AGENDA STAFF REPORT **Item No. 7.c.**

DATE:	August 19, 2026
TO:	Board of Directors
FROM:	Alex Peltzer, GM John Michael Domondon, Operations Manager
SUBJECT:	Solar Project Update

SUMMARY and RECOMMENDED ACTION:

Staff is providing an update on the status of the District's solar project permits. One permit has been approved, and Pacific Solar, the District's contractor and builder, is proceeding with ordering the required materials. For the second location, Pacific Solar is revising certain project details and will resubmit the permit application for approval.

DISCUSSION:

One of the District's solar project permit applications has been approved. Pacific Solar, serving as the District's contractor and builder, is proceeding with ordering the necessary materials for the approved project.

For the second location, Pacific Solar is revising certain project details before resubmitting the permit application. Once the revisions are completed, the application will be resubmitted for review and approval.

Staff will continue to coordinate with Pacific Solar throughout the permitting, procurement, and construction process and will provide updates as the projects progress.

RECOMMENDED MOTION:

No action.

ATTACHMENTS:

None.
