

MEMORANDUM

To: Pixley Irrigation District Board Members
Members of the Public

From: Cinthia Canales
Administrative Assistant

Date: October 05, 2026

Re: October Board Packet

Enclosed is this month's Board Packet, which includes:

- October GSA & Regular Meeting Agenda
- GSA & Regular Meeting Draft Minutes – September 10, 2026
- GSA & Regular Meeting Draft Special Joint Minutes – September 23, 2026
- 2027 Budget
- Accounts Payable

Notice of ADA Compliance: The District is committed to making its meetings accessible to all citizens. In accordance with the Americans with Disabilities Act ("ADA"), if any person(s) requires special accommodations to participate, they should contact the District's secretary at 559-686-4716, preferably at least 48 hours in advance of the meeting.

**Pixley Irrigation District and
Pixley ID Groundwater Sustainability Agency
Board of Directors
Meeting Agenda
October 8, 2026
Location: 357 E. Olive Avenue, Tipton, CA 93272
Time: 9:00 a.m.**

Sitting as Pixley Irrigation District Board of Directors and the Governing Body of the Pixley ID Groundwater Sustainability Agency

1. Call to Order.
2. Public Comment and Agenda Approval.
 - a. During this item, members of the public will be afforded an opportunity to address the Board on any matter within the jurisdiction of the District at the beginning of the session or before the Board's consideration of an agenda item regarding that item. Comments are limited to 3 minutes per person, unless otherwise indicated by the Board President, with a maximum of 30 minutes for public comments overall. Cal. Gov. Code § 54954.3.
 - b. Agenda Approval (GSA and District Combined)– **Action Item**
3. GSA/District Administration.
 - a. Minutes of September 10, 2026, Board Meeting (GSA and District Combined) – **Action Item** – *Attachment*
 - b. Minutes of Joint Special Meeting September 23, 2026 – **Action Item** - *Attachment*

Pixley ID Groundwater Sustainability Agency Open Session Items

4. GSP Implementation
 - a. August 2026 Groundwater Usage Report – *Attachment*
 - b. 2027 Groundwater Allocation – *Attachment*
 - c. Outline of 2027 Actions (CSMO and Recharge/Transfer Policies)
 - d. 2027 Land Fallowing Policy – **Action Item** – *Attachment*
5. Subbasin Probationary Status - Tule Subbasin Coordination
 - a. SWRCB Interim Plan Updates
 - i. Friant-Kern Canal Urgency Plan - Update
 - ii. 2027 PixID GSA Plan Actions - Update
 - b. Tule Subbasin Policy Group Updates
 - i. MOU Technical Work Group updates

Pixley Irrigation District Open Session Items

6. Water Resources
 - a. Resources Manager Water Update - Current Declaration/Water Supply
 - i. Monthly Water Delivery Report
 - ii. CVC Water Deliveries
 - iii. Fall/Winter Outlook
7. District Operations
 - a. Operations Manager Update
 - i. Construction/Operations/Maintenance
8. District Administration/Finance
 - a. 2027 Budget – **Action Item** - *Attachment*
 - b. General Administration Items
 - i. Financial Statements – **Action Item**
 - ii. Accounts Payable – **Action Item**– *Attachment*
 1. Approve the actions of the Finance Committee in the payment of August bills.
9. General Manager Updates
 - a. Friant Water Authority
 - b. Friant Kern Canal General and O&M activity updates
 - c. TRI-JPA - Channel Clearing

Adjourn to Closed Session sitting as the Pixley ID GSA Governing Body

10. GSA Closed Session Items.
 - a. Litigation
 - i. CONFERENCE WITH LEGAL COUNSEL – ANTICIPATED LITIGATION - Significant exposure to litigation pursuant to § 54956.9(b): (two potential matter)
 - ii. CONFERENCE WITH LEGAL COUNSEL – EXISTING LITIGATION (Paragraph (1) of subdivision (d) of § 54956.9) (two cases)
 1. E.W. Merritt Farms v. Pixley Irrigation District GSA et al, T.C. Superior Court Case No: VCU332014
 2. E.W. Merritt Farms v. Pixley Irrigation District GSA et al, T.C. Superior Court Case No: VCU332724

Adjourn to Closed Session Sitting as the Pixley Irrigation District Board of Directors

11. District Closed Session Items
 - a. Litigation

- i. CONFERENCE WITH LEGAL COUNSEL – ANTICIPATED LITIGATION - Significant exposure to litigation pursuant to § 54956.9(b): (four potential matters)
- ii. CONFERENCE WITH LEGAL COUNSEL – EXISTING LITIGATION (Paragraph (1) of subdivision (d) of § 54956.9): (5 Cases)
 1. NRDC v. United States (SJRRP Settlement)
 2. Rosedale Water Storage District et. al. v. Kern County Water Agency et. al.
 3. Center for Biological Diversity, et. al. v. United States Bureau of Reclamation, et. al.
 4. North Coast Rivers Alliance v. United States Bureau of Reclamation, et. al.
 5. In Re Hundal, Parvinder S. and Amerjit, Hundal Farms, Inc. et al, (Bankruptcy) ED Cal. Case Nos. 26-12349, -12348, -12350, -12351.
- b. Real Property – Real property negotiations and related matters in accordance with Government Code Section 54957 (Brown Act).
 - i. Water Contract Transactions
Description of Property: CVP contract water exchanges
Agency Negotiator: Alex Peltzer, General Manager
Under Negotiations: Terms and Conditions of Water Purchase

12. Adjournment.

Next District and GSA Meeting: November 12, 2026, at 9:00 a.m., 357 E. Olive Avenue, Tipton, CA 93272

**Agenda posted for public information on October 5, 2026, pursuant to Cal. Gov. Code 54954.2(a), in front of the District's office at 357 E. Olive Ave, Tipton, CA 93272 and on the District's website at www.ltrid.org.

MEETINGS HEARING AND NOTICES

A person with a qualifying disability under the Americans with Disabilities Act of 1990 may request the District to provide a disability-related modification or accommodation in order to participate in any public meeting of the District. Such assistance includes appropriate alternative formats for the agendas and agenda packets used for any public meetings of the District. Requests for such assistance and for agendas and agenda packets shall be made in person, by telephone, facsimile, or written correspondence to the office of Pixley Irrigation District, at least 48 hours before a public Authority meeting.

**Pixley Irrigation District and
Pixley ID Groundwater Sustainability Agency
Board of Directors
Meeting Minutes
September 10, 2026
Location: 357 E. Olive Avenue, Tipton, CA 93272
Time: 9:00 a.m.**

Sitting as Pixley Irrigation District Board of Directors and the Governing Body of the Pixley ID Groundwater Sustainability Agency

1. Call to Order. The meeting was called to order at 9:00 a.m. by President Junio

Roll Call:

Director Div. 1 Neal Westbrook

Director Div. 2 Bill DeGroot

Director Div. 3 Randy Parreira

Director Div. 4 Rusty Schott

Director Div. 5 Frank Junio – President

District Staff:

Alex Peltzer, General Manager

Travis Millwee, Resources Manager/GSA Manager

John Michael Domondon, Operations Manager

Mark Greenall, Controller

Kirk Masters, Water Resources Superintendent

Jack Lopez, Operations Superintendent

Cinthia Canales, Administrative Assistant / Board Clerk

Tyler Mendes, Resources Coordinator

Landowners and Public:

Douglas Jackson, Elijah Greidanus, Stacie Ann Silva, Joel Kimmelshue,

2. Public Comment and Agenda Approval.
 - a. During this item, members of the public will be afforded an opportunity to address the Board on any matter within the jurisdiction of the District at the beginning of the session or before the Board's consideration of an agenda item regarding that item. Comments are limited to 3 minutes per person, unless

otherwise indicated by the Board President, with a maximum of 30 minutes for public comments overall. Cal. Gov. Code § 54954.3.

Jess Rose from Tule Trust asked who is responsible for declaring an emergency in the event of an El Niño-related emergency. GM Peltzer responded that the County of Tulare is the local emergency response agency for most of the area served by Pixley ID.

- b. Agenda Approval (GSA and District Combined)– **Action Item**
On motion by Director Westbrook, seconded by Director Parreira and unanimously approved, the agenda was approved.
- 3. GSA/District Administration.
 - a. Minutes of August 13, 2026, Board Meeting (GSA and District Combined) – **Action Item – Attachment**
On a motion by Director Schott, seconded by Director DeGroot, and unanimously approved, the Minutes of August 13, 2026, combined GSA and Board Meeting were approved as presented.

Pixley ID Groundwater Sustainability Agency Open Session Items

- 4. GSP Implementation
 - a. July 2026 Groundwater Usage Report – **Attachment**
Resources Manager Millwee reviewed the July 2026 Groundwater Usage Report. No action was taken.
 - b. Land Fallowing Policy – **Action Item – Attachment**
 - c. Land IQ Client Service Agreements– **Action Item – Attachment**
Resources Manager Millwee reviewed the Land IQ Client Service Agreements. Director Parreira offered the following motion:
"I move to approve the Land IQ, LLC Client Services Agreement, including the attached three-year Statement of Work, and the Product License Agreement for field-level evapotranspiration, precipitation, crop mapping, reporting, station maintenance, and support services; and authorize the General Manager, or authorized staff designee, to execute the agreements and administer the services within the approved scope and budget."
Director DeGroot seconded the motion, and the board adopted it unanimously.
- 5. Subbasin Probationary Status - Tule Subbasin Coordination
 - a. SWRCB Interim Plan Updates
 - i. Friant-Kern Canal Urgency Plan – Update
Resources Manager Millwee and General Manager Peltzer reviewed the Friant-Kern Canal Urgency Plan. No action was taken.
 - ii. 2027 PixID GSA Plan Actions – Update
General Manager Peltzer and Resources Manager Millwee reviewed the 2027 PIXID GSA Plan Actions. No action was taken.

- b. Tule Subbasin Policy Group Updates
 - i. MOU Technical Work Group updates
General Manager Peltzer provided an update on the Tule Subbasin Policy Group and MOU Technical Work Group, including the single GSP and the coordination effort. No action was taken.

- 6. GSA Projects
 - a. MLRP Budget Adjustment – **Action Item – Attachment**
Resources Manager Millwee provided an update on the MLRP Budget Adjustment
Director Parreira offered the following motion:
“I move to approve the MLRP Budget Adjustment as presented in the staff memorandum and agenda packet.”
Director Westbrook seconded the motion, and the board adopted it unanimously.

- Pixley Irrigation District Open Session Items***

- 7. Water Resources
 - a. Resources Manager Water Update - Current Declaration/Water Supply
 - i. Monthly Water Delivery Report – *Attachment*
Resource Manager Millwee reviewed the Monthly Water Delivery Report for August. No action was taken.

 - ii. CVC Water Deliveries
General Manager Peltzer provided an update on CVC Water Deliveries. No action was taken.

- 8. District Operations
 - a. Operations Manager Update
 - i. Construction/Operations/Maintenance
Operations Manager Domondon reviewed construction projects, canal maintenance activities, and safety meetings. No action was taken

- 9. District Administration/Finance
 - a. District Assessment Statements – update– Information Itc
General Manager Peltzer reviewed the District Assessment Statements. It was reported that statements went out to the growers showing the charges. No action was taken.

 - b. Budget Workshop – Set date for end of September
General Manager Peltzer reviewed the Budget Workshop. After discussion, the board set on September 23, 2026, at 9:00 am for the workshop.

 - c. General Administration Items
 - i. Financial Statements – **Action Item**

Controller Greenall reviewed the August financial reports and statements. On motion by Director Parreira, seconded by Director Westbrook, and unanimously approved, the Financial Statements were approved as presented.

ii. Accounts Payable – **Action Item**– *Attachment*

1. Approve the actions of the Finance Committee in the payment of August bills.

The Board reviewed the August bills paid. On motion by Director Westbrook, seconded by Director Parreira, and unanimously approved, the accounts payable for August were approved.

10. General Manager Updates

a. Friant Water Authority

General Manager Peltzer updated the Board on the Friant Water Authority. No action was taken.

b. Friant Kern Canal General and O&M activity updates

General Manager Peltzer updated the Board on the Friant Canal general and O&M activities, including Golden Mussel. No action was taken.

Adjourn to Closed Session sitting as the Pixley ID GSA Governing Body

11. GSA Closed Session Items.

a. Litigation

- i. CONFERENCE WITH LEGAL COUNSEL – ANTICIPATED LITIGATION - Significant exposure to litigation pursuant to § 54956.9(b): (two potential matter)
- ii. CONFERENCE WITH LEGAL COUNSEL – EXISTING LITIGATION (Paragraph (1) of subdivision (d) of § 54956.9) (two cases)
 1. E.W. Merritt Farms v. Pixley Irrigation District GSA et al, T.C. Superior Court Case No: VCU332014
 2. E.W. Merritt Farms v. Pixley Irrigation District GSA et al, T.C. Superior Court Case No: VCU332724

Adjourn to Closed Session Sitting as the Pixley Irrigation District Board of Directors

12. District Closed Session Items

a. Litigation

- i. CONFERENCE WITH LEGAL COUNSEL – ANTICIPATED LITIGATION - Significant exposure to litigation pursuant to § 54956.9(b): (four potential matters)
- ii. CONFERENCE WITH LEGAL COUNSEL – EXISTING LITIGATION (Paragraph (1) of subdivision (d) of § 54956.9): (5 Cases)
 1. NRDC v. United States (SJRRP Settlement)
 2. Rosedale Water Storage District et. al. v. Kern County Water Agency et. al.

3. Center for Biological Diversity, et. al. v. United States Bureau of Reclamation, et. al.
 4. North Coast Rivers Alliance v. United States Bureau of Reclamation, et. al.
 5. In Re Hundal, Parvinder S. and Amerjit, Hundal Farms, Inc. et al, (Bankruptcy) ED Cal. Case Nos. 26-12349, -12348, -12350, -12351.
- b. Real Property – Real property negotiations and related matters in accordance with Government Code Section 54957 (Brown Act).
- i. Water Contract Transactions
Description of Property: CVP contract water exchanges
Agency Negotiator: Alex Peltzer, General Manager
Under Negotiations: Terms and Conditions of Water Purchase

Adjourn To Open Session

13. Report from Closed Session (If Any)
No reportable action from closed session.
14. Report of action taken at prior Closed Sessions that became final after the adjournment.
No reportable action from prior closed session.
15. Adjournment: **The meeting was adjourned at 2 PM by President Junio.**

CERTIFICATION: THIS IS TO CERTIFY THAT THE ORIGINAL AGENDA FOR THE REGULAR MEETING AND GROUND SUSTAINABILITY AGENCY WAS POSTED AT THE DISTRICT OFFICE BY 9 AM, SEPTEMBER 4, 2026.

IF ANYONE WANTS COPIES OF ANY OF THE REFERENCED BOARD MATERIALS THEY MAY CONTACT THE DISTRICT ADMINISTRATIVE ASSISTANT, CINTHIA CANALES AT 559-686-4716 OR BY EMAIL CCANALES@LTRID.ORG

Respectfully Submitted,

Alex Peltzer
Board Secretary

Alex Peltzer
Board Secretary

AGENDA STAFF REPORT

Item No. 4.a.

DATE:	October 8, 2026
TO:	PIXID GSA Board of Directors
FROM:	Alex Peltzer, General Manager Travis Millwee, Resources Manager
SUBJECT:	August ET Consumption Report

SUMMARY & RECOMMENDED ACTION:

The August 2026 ET Consumption Report will be available for review by the Board of Directors prior to the Board meeting

The report provides a summary of monthly surface water deliveries, estimated evapotranspiration (ET) consumption, Transitional Water (ET) consumption, and groundwater use exceedances within the GSA.

DISCUSSION & BACKGROUND:

As part of the GSA's ongoing groundwater management and monitoring efforts, staff prepare monthly ET consumption reports to track water use within the GSA service area. The report compares estimated evapotranspiration consumption against reported surface water deliveries to identify groundwater use and any exceedance amounts subject to the GSA's groundwater management policies.

RECOMMENDED MOTION:

N/A

ATTACHMENTS:

1. August ET Consumption - Groundwater Use Summary Report – To be provided at the meeting.

AGENDA STAFF REPORT

Item No.4.b.

DATE:	October 8, 2026
TO:	Board of Directors
FROM:	Alex Peltzer, General Manager Travis Millwee, Resources Manager
SUBJECT:	2027 Water Supply Allocation Update

SUMMARY & RECOMMENDED ACTION:

This report presents GSA staff's proposed 2027 water supply allocation and the Groundwater Planning Commission's (GPC) recommendation for the 2027 allocation to be based on a total metered applied-water allocation and accounting system. Staff currently recommend retaining consumption based accounting for the proposed 2027 allocation, while eliminating Transitional Water, and including conversion to metered applied-water accounting in the draft Corrective Subsidence Management Order (CSMO), effective October 1, 2027. The GPC favors an earlier conversion, effective January 1, 2027. Staff request Board consideration and direction before returning with a final allocation determination for the November 12, 2026, meeting.

DISCUSSION & BACKGROUND:

The elements of the annual allocation are established by Pixley ID GSA's Groundwater Policies. The annual allocation action is limited to applying these policies, specifically Policy 3 (establishing the safe yield and precipitation elements of the policy), Policy 6 (establishing the District Allocated Credits), and Policy 4 (establishing the Transitional Water allocation). All of these credits are based on the GSA's ET-based measurement and accounting system, established by Policies 1 and 3. Staff is recommending continuing to apply these policies, which would result in an allocation being provided consistent with existing policies as follows:

- Safe Yield (established by the existing Coordination Agreement as .15 a.f./acre (consumption based)
- Precipitation yield (established by Policy 3 as the annual average precipitation since 1991, updated annually)
- Transitional Allocation (established annually under Policy 4 with reference to the status of meeting established Minimum Thresholds and Measurable Objectives for groundwater levels and subsidence); current year allocation was limited to .37 a.f. acre due to subsidence MTs reaching 50% or greater in significant areas of the GSA.
- District Allocated Credits (established annually by formula under Policy 6, based on long term average of prior years' surface water supplies available to the District for direct or in-lieu recharge).

Policy 6 requires allocation to be made on January 1, but landowners have requested an earlier announcement be made to facilitate cropping decisions.

At the September 29, 2026, GPC meeting, staff presented an approximate 2027 allocation, applying the formulas under the existing evapotranspiration (ET) consumption-based accounting system. Staff also reviewed the proposed elements of a draft Corrective Subsidence Management Order (“CSMO”), including conversion from consumption-based accounting to an allocation and accounting system based on metered applied water, and converting the allocation elements to pumping based (using a pumping safe yield as determined by the existing Coordination Agreement and eliminating Precipitation Credits). The allocation proposal and conversion timing were discussed together because the accounting method determines how water use is charged against a grower’s available allocation.

Staff Recommendation: Retain the existing allocation structure for 2027 including keeping the existing formulas, eliminate Transitional Water, and prepare for conversion to metered applied-water accounting by October 1, 2027 through the CSMO. The preliminary allocation presented to the GPC was approximately 1.42 acre-feet per acre (AF/AC), as follows:

Water Category	Proposed AF/AC
Precipitation Yield*	0.72*
Sustainable Yield	0.15
District Allocated Credits*	0.55*
Transitional Water	0.00
Approximate Total	1.42

** Preliminary amounts; staff will update the long-term rolling averages being applied per policy.*

GPC Recommendation: The GPC did not agree with staff’s recommendation to continue the ET-based allocation and accounting approach for 2027. Members expressed a preference to move to a metered applied-water allocation and accounting system effective January 1, 2027, rather than October 1, 2027. The GPC’s recommendation therefore advances the proposed conversion by nine months.

Staff explained that the planned conversion will be recommended as part of the draft CSMO, with an effective date of October 1, 2027. Staff continue to recommend that approach so the conversion is addressed within the CSMO and its implementation schedule, the conversion occurs through coordination with the other GSA’s in the subbasin, and staff can prepare and implement related policy changes and establish metering recording protocols. The issue for Board consideration is whether to maintain that timing or direct staff to develop the earlier January 1, 2027, conversion requested by the GPC. The preliminary 1.42 AF/AC proposal was developed for ET-based accounting; it is not a proposed metered applied-water allocation.

POLICY EFFECT:

No final allocation or accounting conversion is proposed for adoption through this update. Staff will bring an allocation determination under existing policies to the November 12, 2026, Board meeting, reflecting Board direction on the allocation and conversion schedule. The Precipitation Yield and District Allocated Credit amounts will be updated using the applicable long-term rolling averages before the final allocation is presented. If the Board directs staff to pursue the GPC's earlier conversion date, the final recommendation will need to address the corresponding metered applied-water allocation and accounting provisions.

AGENDA STAFF REPORT

Item No.4.d.

DATE:	October 8, 2026
TO:	Board of Directors
FROM:	Alex Peltzer, General Manager Travis Millwee, Resources Manager
SUBJECT:	2027 Land Fallowing Program - GPC Recommendation

SUMMARY & RECOMMENDED ACTION:

PIXID GSA staff recommend that the Board approve the Groundwater Planning Commission (GPC) recommendation to discontinue the voluntary Land Fallowing Program for the 2027 water year. Growers would determine their own fallowing strategies without GSA enrollment or special fallowing accounting. Parcels would receive their full applicable allocation, including Precipitation Credits, and be charged full measured evapotranspiration (ET). The Precipitation Credit would offset rainfall reflected in the ET charge, preserving the objective of avoiding an applied water penalty for rain-driven ET on land a grower chooses to fallow.

DISCUSSION & BACKGROUND:

At the September 8, 2026, Board meeting, staff identified an accounting concern under the existing Land Fallowing Program. Enrolled fallowed acreage received an ET charge of zero while continuing to receive a Precipitation Credit allocation. Because credits are maintained at the groundwater-account level, that credit could support water use on other acreage within the same account even though precipitation on the fallowed parcel is likely consumed by vegetation or evaporation rather than recharging groundwater. Staff therefore recommended discontinuing Precipitation Credits for standard fallowed acreage, with a limited dryland cover-crop exception.

Board Referral: The Board discussed how to account for ET and Precipitation Credits on fallowed parcels, including acreage planted to a cover crop, and whether a separate fallowing policy remained necessary. Rather than adopt the proposed revision, the Board referred the issue to the GPC for a recommendation.

GPC Review and Recommendation: At its September 29, 2026, meeting, the GPC considered the complications of administering separate accounting treatments: setting ET to zero and withholding Precipitation Credits for standard fallowed acreage, or allocating Precipitation Credits and charging ET for acreage planted to a cover crop. The presentation also identified questions about the status of enrolled land after receiving flood water during a District flood declaration. Initially, the GPC members expressed that they would like to discontinue the fallowing program based on their desire to have the GSA convert to a meter applied allocation and accounting system; essentially making a fallowing program irrelevant. After further discussion with staff, the GPC

concluded that discontinuing the formal fallowing program would be simpler and would allow growers to manage their own fallowing decisions and the associated risk and benefit, regardless of when conversion from ET to pumped basis for accounting occurs.

Under the GPC and staff recommendation, a parcel that a grower chooses to fallow would remain subject to ordinary allocation and ET accounting. Its full measured ET would be charged to the groundwater account, and its Precipitation Credit would remain available to offset the portion of ET supported by rainfall. This removes the existing combination of a zero ET charge and a retained Precipitation Credit. It also avoids a separate cover-crop ET cap or special fallowing adjustment. The intended result is to recognize rain-driven ET without treating it as irrigation-water consumption. Actual net accounting would depend on measured ET and the applicable Precipitation Credit; the recommendation does not guarantee a zero net charge for every fallowed parcel.

POLICY EFFECT:

Approval would discontinue the GSA-administered voluntary Land Fallowing Program for the 2027 water year, including enrollment and special ET treatment based on fallowing status. Growers could continue to leave land idle or plant cover crops as part of their own management strategies, subject to ordinary GSA accounting and applicable water-use requirements. Staff would update the fallowing provisions of the Land Fallowing and Retirement of Groundwater Credits Policy and associated materials, and notify growers that full measured ET and the full applicable allocation, including Precipitation Credits, will apply. This action concerns the voluntary fallowing program; any separate groundwater-credit retirement provisions would remain subject to their existing requirements.

RECOMMENDED MOTION:

"I move to approve the Groundwater Planning Commission recommendation to discontinue the PIXID GSA voluntary Land Fallowing Program for the 2027 water year; to apply ordinary allocation and full measured evapotranspiration accounting to parcels growers choose to fallow, including retention of the applicable Precipitation Credit; and to authorize staff to revise the fallowing provisions of the Land Fallowing and Retirement of Groundwater Credits Policy and associated program materials, and communicate these changes to growers."

Finance Charge Calculation

Your Annual Percentage Rate (APR) is the annual interest rate on your account.

	Annual Percentage Rate	Balance Subject to Interest Rate	Finance Charges by Transaction Type
PURCHASES	18.74% V	\$0.00	\$0.00
CASH	18.74% V	\$0.00	\$0.00

V = Variable Rate (rate may vary), Promotional Balance = APR for limited time on specified transactions.

Important Messages

We want to remind you of a few things you can do to help avoid late fees and finance charges:

- Schedule automatic payments to your corporate account, so they're not late.
- Create alerts to let you know when your payments are due or posted to your corporate account, and have them delivered to your phone or email.

Turn on automatic payments and alerts through Business Advantage 360 at [Bankofamerica.com/SmallBusiness](https://bankofamerica.com/SmallBusiness) or our mobile app.

Points earned can expire if not redeemed within 60 months from the month earned. To view current point totals and when points expire, visit bankofamerica.com/business. Choose the credit card account related to this statement in Accounts Overview, then select the Rewards Tab and access the 'View expiration schedule' link for a view of total points by month of expiration. To view redemption options, select 'Redeem WorldPoints®'. Points can only be redeemed if the account is open and has active charging privileges. However, if you voluntarily close the card account or we close the card account for inactivity, you must redeem the points within ninety (90) days after closing. If we close your card account for any other reason, your points may be subject to immediate forfeiture in our sole discretion.

WorldPoints Rewards for Business™ Summary

Beginning Balance	459,359.05	Other Bonuses	.00
Earned	12,165.51		
Redeemed	.00		
Adjustments	.00	Ending Balance	468,593.36

Visit bankofamerica.com/business to review your available rewards balance and redemption options.
